

Accessibility

Last reviewed July 2026.

Vital Bridge Wellness strives to make our website accessible and usable for all visitors, including those using assistive technologies such as screen readers, magnifiers, or voice recognition tools. We follow the Web Content Accessibility Guidelines (WCAG 2.1) and continuously work to improve the user experience. If you encounter any accessibility barriers or have suggestions, please contact us at **cathy@vitalbridgewellness.com** so we can address the issue.
